"I could not exist without it."

So writes a curate who receives a grant from us. Could one find a more eloquent testimony to the value of our work? The Curates' Augmentation Fund increases the incomes of Curates who have been more than fifteen years in Holy Orders and are still in full active work. It is the only Society founded for this purpose. The average stipend of those receiving grants is about £4 10s. a week—very inadequate remuneration for those who have served the Church long and faithfully—and their stipends decrease as they grow older.

Over £4,000 was distributed in grants in 1932.

The Council is most unwilling to refuse a grant to any approved applicant, and therefore asks you to send a subscription to the Hon. Treasurer, the Rev. J. F. MARR.

LEATHERHEAD SCHOOL, SURREY.

(ST. JOHN'S FOUNDATION FOR THE SONS OF CLERGY).

The School was founded in 1851 for the education of the sons of the poorer clergy. Foundationers are educated free of cost.

In 1887 a Supplementary Foundation was added, to which the sons of clergy of limited means are admitted at less than half the average cost per boy to the School funds.

Other boys are admitted as Non-Foundationers and Day Boys.

Through the generous co-operation of Heads of Preparatory Schools, sons of the poorer clergy are also nominated by the Council to these Schools, to proceed subsequently to Leatherhead, either as Free or as Supplementary Foundationers.

Donations, Annual Subscriptions, Legacies, and Scholarship-endowments are solicited.

The Parochial Clergy are specially invited to render the School much more adequate support by arranging for collections in their churches.

£15,000 has to be raised annually from voluntary sources. The entire contributions made annually by Diocesan grants and church collections is, at present, less than £700, and is therefore most inadequate.

Cheques and Postal Orders should be made payable to the School and crossed "Midland Bank." They should be sent to the Secretary (The Rev. Arthur H. Dolphin), 75 Victoria Street, Westminster, S.W.1, from whom all particulars may be obtained.

THE LONDON ASSOCIATION IN AID OF MORAVIAN MISSIONS

President: Sir Charles Owens, C.B.

This Association (founded in 1817) appeals for funds in support of the self-denying labours of the Moravian Missionaries who, for two centuries, have been carrying the Message of the Gospel to earth's darkest places and among the most degraded and backward races.

The Moravians form **THE OLDEST Protestant Missionary Church** (founded 1732). They were:

THE FIRST to the Jews (1736).

THE FIRST to send out Medical Missionaries (1747).

THE FIRST to work among Lepers (1818).

Those won from heathenism are three times as many as the parent Church.

Contributions, which are much needed for the maintenance of existing work and for the entering of many open doors, will be gratefully acknowledged by CHARLES HOBDAI, ESQ., Chairman and Honorary Secretary, London Association in Aid of Moravian Missions.

Offices: 70A BASINGHALL STREET, LONDON, E.C.2

Bankers: WILLIAMS DEACON'S BANK LTD.

Legacies (specially appealed for) will be greatly appreciated.

British & Foreign Bible Society

Among the Vice-Presidents are:—

THE ARCHBISHOPS OF CANTERBURY, YORK, AND WALES

and about 40 Anglican Bishops.

The Bible Society has one aim and one aim only—to supply to all the peoples of the world the Scriptures in their own mother-tongue. In doing this work it is the handmaid of the Church at home and abroad.

AT HOME

Grants of Scriptures have been given generously to home missions of many kinds, to poor parishes and schools, at prices much below cost, and often free of all charge.

ABROAD

S.P.G., C.M.S., U.M.C.A., B.C.M.S., C.E.Z.M.S., S.A.M.S., and all the other Church missionary societies look to the Bible Society for their Scriptures, and never look in vain.

Church Lads' Brigade

Founded 1891.

Incorporated 1893.

CHURCHMEN !

THE

CHURCH LADS' BRIGADE

is not only the best but least expensive
Organisation for

THE ELDER CHURCH LAD

(14 to 21).

80% of the lads over 14 are lost to the Church.

Being a Church organisation, the C.L.B. closely follows Church order and in every parish the Incumbent, who has the care of souls, is supreme, i.e.—

- (a) He alone can start, maintain, suspend or disband a company.
- (b) He alone can nominate his officers.
- (c) He alone can determine what religious obligation shall be the rule of his company and what lads shall join.
- (d) No orders of his Company Officer are valid unless they are countersigned by him.

It is the greatest economy of time and effort in parish work, for it is a means by which thirty, forty or more of the elder lads of the parish may be brought to the parish priest instead of the heart-breaking labour of seeking out these same lads in their homes.

Generous grants are made towards starting and maintaining Companies, and also for Camp.

Full particulars on "How to Start a Company of the C.L.B." will be sent on application to the Secretary, the Rev. CYRIL M. ARMITAGE, M.A., General Headquarters, Aldwych House, Catherine Street, London, W.C.2.

HOME MISSIONS OF THE CHURCH

THE ADDITIONAL CURATES SOCIETY gives help to poor parishes to maintain the assistant Clergy they require and could not have without money assistance from elsewhere. In helping poor parishes, the Society touches the slums in the centre of large cities, poorer suburbs outside the cities, new housing areas, and parishes in populous industrial centres.

96th YEAR

The A.C.S. is now in its ninty-sixth year of work, having been founded in 1837. Many Church people are thankful for what the Society is doing to support a working Ministry in poor and difficult places. At present 600 curates are depending on A.C.S. for payments towards quarterly stipends.

The Council will be thankful to receive GIFTS to enable the Society to continue its effort.

Cheques should be crossed "Coutts,

THE CHURCH PASTORAL-AID SOCIETY

IS A HOME MISSIONARY SOCIETY

of the Church of England and helps incumbents of large and populous parishes by means of grants for additional workers, clerical and lay, to proclaim the Gospel in the Church, in the street, and in the homes of the people. The Society lays great stress upon pastoral visitation "from house to house." Last year the Society expended in grants more than £56,336 in the support of 1,032 Agents in all parts of England and Wales.

The Society, THROUGH ITS ORDINATION FUND, seeks to provide an Evangelical Ministry, by means of grants to earnest-minded men of limited means, towards the cost of their training. This Fund was never more needed than in the present day when the shortage of Clergy is a serious menace to the Church's future. 70 candidates are at present being helped.

The Society is loyal to the Reformation Settlement and uses the funds entrusted to it for the propagation of Evangelical truth.

2. The full control of the Company rests with the Church with which it is connected.

MANY COLONIAL DIOCESES receive aid from the Society, including those in Western Canada, Australasia, British East and West Africa, and India.

MANY COLONIAL BISHOPS are applying for far more aid than the Society's funds can meet.

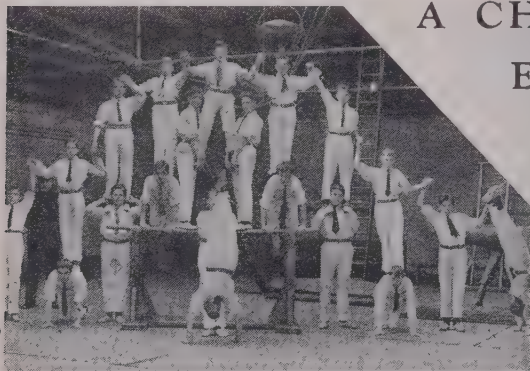

444 CLERGY AND LAY EVANGELISTS have been sent out.

PREFACE

IN presenting this, the thirty-third, issue of the CHURCH DIRECTORY to our subscribers, our thanks must be recorded to the great body of Clergy whose co-operation has again been so willingly rendered. Without such help the production of this book of reference, containing so many thousands of names and details relating to the Clergy, would obviously be impossible. With this, however, we are assured that the DIRECTORY is found to be of increasing value year by year, gratifying evidence of this being apparent in its ever-growing circulation both at home and overseas. Our readers may be interested in knowing that the present issue has been entirely re-set—a task of considerable magnitude, as a glance at its many hundreds of well-filled pages will prove. In this and all other directions it is our endeavour to make the DIRECTORY indispensable, not only to the Clergy, but to the rapidly growing number of the laity who, now more than ever, desire to be thoroughly well informed as to the Church's *personnel* and organization. With this end in view, information as to any omissions or errors that may be discovered will be very gratefully received by the Editor.

For several years past comment has been made in these pages upon the facts concerning the Church's Ministry, and especially upon the alarming decline in the number of candidates for Holy Orders during the post-war period. Full knowledge as to this grave question was brought before the Church in the important report of the Commission on Staffing the Parishes, which was presented to the Church Assembly at the close of 1930—a document which has received the consideration of nearly all the English Diocesan Conferences as well as of the Assembly since that date. Now, however, the outlook has changed: to a certain extent, the men are forthcoming, while the money available for their maintenance is not. Taking the figures for the Ecclesiastical year just ended, the number of Deacons ordained would seem to be 607, as against 566 in the previous year and 550 in the year before that. And still the Theological Colleges are full, with, in most cases,

long waiting lists of men desiring training. Meanwhile, the money available for the payment of a "living wage" to those new Clergy is hard to find, and hardest of all in those poor and populous parishes which need their services most urgently.

The Societies which exist to provide additional Clergy where they are most needed are hard put to it to maintain their existing grants, and cannot add to their present liabilities to any very great extent. So the long list of appeals from the poorest parishes, many of them in the new housing areas, is getting longer, and the situation more and more hopeless. For in days of economic strain like ours the Church's organizations, whether for work at home or overseas, are hard hit, and cannot risk increasing their already heavy responsibilities. As the Principal of Knutsford has said, the Church seems to have reached a point when she cannot afford to have an annual increase of more than 500 Clergy, however greatly she needs a larger number. Otherwise the outlook for these new Clergy, financially and otherwise, is indeed depressing. Quite naturally, this new situation has led to anxious consideration, and already there are indications both of a lowering of the stipends of the assistant-Clergy and of a stricter discipline in the matter of early marriages on their part by the Bishops. The educational standard also will inevitably be raised as a result of the altered circumstances now prevailing.

The legislative output of the Church Assembly this year has been comparatively small, and for the most part concerned with the difficult question of Patronage in some form or other. Under the Benefices' (Diocesan Boards of Patronage) Measure, 1932, which has received Royal Assent, there will be in every Diocese by January next a Board of Patronage, consisting of (1) the Bishop; (2) three elected Clergy; (3) five elected laity; and (4) the archdeacon and rural dean in their respective areas. The Board will be a body corporate, and have power to "acquire, hold, and transfer any right of patronage, and to exercise any right of presentation or other right of a patron incident to a right of patronage held by the Board or conferred on the Board by any Measure or statute or otherwise." Most of the Boards have already been elected, but it is not very likely that their powers will be very largely exercised in the first years of their existence.

Another, and a rather more contentious Measure, which secured the assent of the Church Assembly at its November Session, is the "Benefices (Purchase of Rights of Patronage) Measure," designed to permit the Parochial Church Council to repurchase a benefice which has been transferred to the existing owner since the passing of the "Benefices Act, 1898 (Amendment Measure, 1923)." But this Measure has yet to go to the Ecclesiastical Committee of the Lords and Commons, and then to be voted upon in both Houses of Parliament, where opposition is threatened. So its fate is uncertain, in spite of the large majority (233 to 94) by which the Assembly passed it.

The payment—or rather non-payment—of Tithe is a serious matter to the beneficed Clergy in various parts of England. Here it is only possible to point out that the Central Committee for Reference and Instruction (Church House, S.W.1) has issued several admirable and informing leaflets upon the question of the—What it is, etc., and that free copies may be had for the asking.

DEAF

It is estimated that there are over 3,000,000 deaf people in the British Isles. Many only stay away from Church because they cannot hear at all or the strain of trying to hear is too much.

THIS CAN BE OVERCOME—BY INSTALLING THE “ACOUSTICON”—RADIO SYSTEM

It enables even the very deaf to
HEAR EVERY WORD
of the Service and Sermon. The system is quite inconspicuous in use and gives perfect results. The cost of upkeep is very low—5/- per year.

Installed in Lambeth Palace for 1930 Bishop's Conference—Albert Hall for Anglo-Catholic Congress 1930 and 1933 and for every Church Congress since 1922. Over 800 Churches in Great Britain have the Acousticon permanently installed.

The Publishers would like to commend to the notice of the Clergy the Advertisements in this year's "Directory." They are so varied as to cover almost every requirement of Church life, and the steady study of these announcements will prove interesting and useful. Should occasion arise for communicating with the Advertisers, it would be a very great favour if mention were made of this publication.

CLERGY ORPHAN CORPORATION

Patron: HIS MAJESTY THE KING.

Boys' School:
ST. EDMUND'S SCHOOL, CANTERBURY.

Girls' School:
ST. MARGARET'S SCHOOL, BUSHEY, HERTS.

These schools were founded for the Maintenance, Clothing, and Education of the poor Orphan (Fatherless) Children of the Clergy of the Established Church of England and the Church in Wales. 4,295 children have been admitted to the benefits of these Schools, which now contain about 225. About 30 children are admitted every year.

The cost of Education has increased enormously, and whereas the sum of £9,000 from voluntary sources sufficed in pre-war days, it is now necessary to raise £12,000. The Committee earnestly appeal to all Church people to help forward this work. The need justifies the Schools, and the high commendation of all educational authorities encourages the Committee in making this appeal.

President: HIS GRACE THE LORD ARCHBISHOP OF CANTERBURY.

General Secretary: REV. R. G. MILLIDGE, B.C.L.

Office: 5 VERULAM BUILDINGS, GRAY'S INN, W.C.1.

Bankers: Messrs. Drummonds, Charing Cross, S.W.1.

THE SOCIETY FOR THE PROPAGATION OF THE GOSPEL IN FOREIGN PARTS

15 TUFTON STREET, WESTMINSTER

President: THE ARCHBISHOP OF CANTERBURY

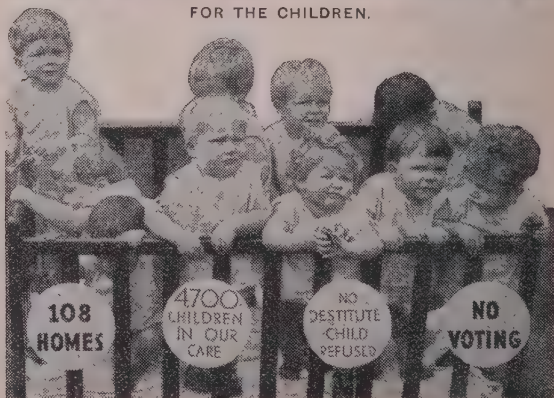

THE WORLD CRISIS. A tremendous field of service is now open to the Christian message overseas. It is what the world most wants. In India alone there is terrific need for the Spirit of Christ to decide far-reaching questions. The prolonged distress of Western Canada has left the Church there without means of self-support. Other missionary areas also have unexpected difficulties which cannot be neglected.

THE CALL FOR ACTION. Will you take your share in courage and hope? This country is grappling successfully with its domestic affairs. With your help we can also redeem the missionary situation. Will you by a special gift enable the world-wide S.P.G. to establish the Word of Life throughout the non-Christian World and among our Own People Overseas?

Contributions to the pioneer work of the Church Overseas should be sent to the Treasurer of the Society for the Propagation of the Gospel in Foreign Parts, 15 Tufton Street, Westminster, S.W.1. Cheques and Postal Orders should be crossed "Drummond's Branch, Royal Bank of Scotland."

Societies, Institutions, etc.

Additional Curates Society.—(Established 1837. Incorporated 1932.) Its aim is to assist in increasing the number of Clergy in areas of large population. In 1932 grants amounting to nearly £30,000 were given to 600 parishes in England and Wales. Additional income is urgently needed to meet over 80 new applications for further help. *The Secretary*, 51 Belgrave Road, London, S.W.1.

Alexandra Orphanage.—Founded 1758 (inter-denominational). Receives fatherless children (of both sexes) from infancy up to 11 years and retains them until 14 or 15, fully maintaining them and educating them. Children whose fathers are incurably ill, and therefore unable to maintain them, also are eligible. In certain cases motherless and other necessitous children are received. Opportunities occur for suitable children to receive a Secondary Education whilst resident in the Orphanage. Resident: H.R.H. the Prince of Wales, K.G.; Treasurer: The Rt. Hon. Lord Marshall, P.C., K.C.V.O. Vol. funds, 1931: £9,072. Number resident, 370. Annual report and full particulars may be obtained from the *Secretary*, Mr. Fred. Robinson, F.C.I.S., 34-40 Ludgate Hill, E.C.4.

Barbican Missions to the Jews. (1889.) The object of this Society is to promote the propagation of Christian truth among the Jews. Its management is undertaken by the President, Committee, Treasurer, and Secretary; the annual income received being about £14,664. Donations will be gratefully received by the Treasurer, Capt. J. A. Campbell; and all particulars supplied by the Secretary, at the Office, 2 Whitechapel Road, London, E. *Chairman of Committee:* Admiral B. Currey. *Secretary:* Rev. I. E. Davidson, M.A.

Barnardo's Homes (Dr.): National Incorporated Associations.—Have under their charge over 8,000 rescued boys and girls. The Homes, founded by the late Dr. Barnardo in 1866, are established for the reception of Orphan and Destitute Children, without any condition, other than destitution, as to age, sex, creed, birthplace, nationality, or even physical health (epileptics and mental defectives excepted). More than 5,000 of this large family belong to the Church of England, and over 300 annually are prepared for Confirmation. The Institutions now comprise 182 separate Cottages, Households and Branches. Fourteen Ever-Open Doors in London and Provincial towns and cities are included and admission at these Branches is as wide and untrammelled as at Headquarters. In all, the Homes have admitted 110,000 boys and girls. Of these, over 30,000 have been emigrated to Canada and the Overseas Dominions. The maintenance of the work is dependent on voluntary contributions. *Patrons:* The King and Queen; *President:* H.R.H. the Duke of York; the *Vice-Presidents* include the Archbishops of Canterbury, York, and Armagh, and a number of the Bishops. *Chairman of Council*, Sir William Fry, D.L., J.P. *Chairman of Executive Committee*, D. J. MacAndrew, Esq. *General Secretary*, Claude Wright, F.I.S.A. *Head Offices and Chief Ever-Open Door*, 18 to 26 Stepney Causeway, London, E.1. Tel. No. East 1098.

Bible Churchmen's Missionary Society.—The B.C.M.S. was founded on October 27th, 1922, by a band of earnest Churchmen, who wished to have a thoroughly Church Society, progressive and up to date, but exclusive of those modern views concerning the Bible which undermine its authority, and therefore its effectiveness in the pagan world. Thus it preserves continuity in the Church's witness to the trustworthiness of the Canonical Scriptures. While the Society works in perfect concord with all other societies, it desires rather to leave them in the Fields of their possession and to strike out into the "regions beyond"—those untouched by the Gospel of Christ. Its Missionaries are at work in 14 Dioceses in India, China, Persia, Burma, Canada, Africa and the Arctic. The Synods of four of these have already passed resolutions of gratitude to the Society. Its official organ—*The Missionary Messenger*, has a monthly circulation of over 10,000. *Hon. Secretary*, Rev. Daniel H. C. Bartlett, M.A., D.D. *Hon. Treasurer*, Sir Chas. King-Harman, K.C.M.G. *Lay-Deputation Secretary*, Admiral Sir Harry Stileman, K.B.E. *Headquarters*, 14 Victoria Street, S.W.1, close to Westminster Abbey. Its record of a Ninth Year is a wonderful tale of missionary achievement. Its last year's income was £56,069.

Boys' Brigade, The.—The Church of England Council of The Boys' Brigade (Abbey House, Westminster, S.W.1) point out that the object of the organisation is solely religious, and is defined as "The Advancement of Christ's Kingdom among Boys." The B.B. is entirely free from all connection with the Military Forces and the full control of the Company rests with the Church with which it is connected. The equipment of a Boy costs less than 5/-. The B.B. affords a splendid opportunity to the Clergy of influencing the Boy for good, and of retaining them for the Church. The total membership is over 100,000. The Boys contribute over £4,000 per annum to Foreign-Missions. It is the senior of the Boys' Organisations, being founded in 1883, and deals with boys from 12 to 18 years of age. The Life Boys is its junior movement for Boys from 9 to 12 years of age.

British and Foreign Bible Society.—The Society exists for the wider circulation of the Holy Scriptures without note or comment. In this enterprise it unites Christians of almost every communion. The Society's list of versions now includes the names of 655 distinct forms of speech. The Anglican Communion throughout the world is teaching to-day in more than 200 different languages and dialects. In nearly all of these, versions of some part of the Scriptures have been published. Of such versions, at least 200 are obtained by Church of England Missionaries from the Bible Society, on terms which involve practically no charge on the missions themselves. The S.P.G. has procured the Scriptures from the Bible Society in 87 languages; the C.M.S. has used 147 of the Society's versions; while the U.M.C.A., the Melanesian Mission, the C.E.Z.M.S., the Jerusalem and the East Mission, the Church Missions to Jews, the Bible Churchmen's Missionary Society, and the South American Missionary

Society obtain from the Bible Society nearly all the editions of the Scriptures which they read. Out of every £1 which the Bible Society spends in production and distribution less than 8s. comes back to it from the proceeds of sales. For the remainder, it must rely on the gifts of Christian people. Gifts will be gratefully acknowledged by the *Secretaries*, 146 Queen Victoria Street, London, E.C.4.

Charity Organization Society maintains a Central Office and twenty-nine local centres in the County of London. At each is a skilled staff in close touch with all the social services, official and voluntary, in the neighbourhood. All kinds of trouble, perplexity and misfortune may be referred to them. Sympathetic individual study of the case will be given and best possible measures devised for restoration to well-being and independence. Last year, 15,646 applications received; £41,807 3s. 1d. was raised and expended on these cases (the Society has no central relief fund). In addition, 18,714 reports were sent out in response to enquiries on cases. A special department is maintained for the sole purpose of replying to enquiries as to the working of institutions and the bona fides of applicants for assistance. Matters arising outside London dealt with through corresponding Societies and individual correspondents in most parts of the United Kingdom and many places all over the world. LIST OF ARCHBISHOPS, BISHOPS AND CLERGY OF THE UNITED KINGDOM, COLONIES AND FOREIGN PARTS

Note.—A list of the principal abbreviations used in this Directory will be found in the earlier part of the volume. It is hoped, however, that the meaning of the abbreviations, etc., in the following lists is fairly obvious. In the case of the clergy, where the address is not sufficiently signified in the title of the Cure, it is given immediately after the name. Where no postal address is given, the title of the Cure is sufficient address. The figures at the end of the line in the List of Clergy represent (a) net value of living and (b) population. The asterisk denotes a house of residence.
